Message from President Susan

A month has passed in our year focused on “Experience the Senate”! What have you experienced with the Senate? Take a look at your state calendar as well as our national calendar and check out the opportunity for experiences. Call a few senators and come up with a new experience.

I have been hosted by three states in three different regions in the US in July and experienced fun, friendship and terrific hospitality. Thank you to Kansas JCI Senate, Iowa JCI Senate and Illinois JCI Senate.

The Fall Board of Directors meeting in beautiful Golden CO is right around the corner, if you have not registered – there is no time like today! If you are an officer or appointment with a comped registration – you must fill out the registration form prior to the early registration deadline. Additionally, please include your fees for early hospitality, spouses, tours, etc.

“Most of us become more conscientious, confident, caring, and calm with life experience.”  
– Angela Duckworth

My challenge to you – Experience the Senate!

Have a great August – Be safe and well.

Susan Hatcher #58143  
51st President  
US JCI Senate  
2022-2023

A hard copy is being published and will be available at the Fall BOD Meeting in Golden, CO for a small cost. Information for ordering a hard copy will soon be available on the website.

If anyone receiving a copy of the directory has a change to the information provided, please send me an email with the change so the directory can be updated by August 15<sup>th</sup> to meet the printing deadline.

**S.O.A.R.**

How many of you received your Senatorship and didn't know about the Senate outside of your state? I didn't get involved locally right away and was unaware there was a US JCI Senate until I received a phone call to assist with registration at the Fall Board Meeting in 2015.

It's very important to engage our New Senators by letting them know the structure of the Senate and all it has to offer, and that is part two of S.O.A.R. I will be sending out information related to the US JCI Senate National, Region and State organizations and keep in contact with them throughout the year to encourage their involvement in their State, Region and National organization.

What I need from each State President or NVP is:

- New Senator Name and Number
- Mailing Address
- Phone
- Email Address
- When they are being presented their Senate award

**IMPORTANT** – I need to know when they will be presented the Senate award to avoid spoiling the surprise but be timely in reaching out to them, my goal is contacting them within two weeks of the presentation.

If individuals who received their Senatorship in June 2022 didn't receive a US JCI Senate welcome packet, please provide their contact information and I will send one out to them as well.

See the next E-news where I'll talk about the First Timers Program.

## Wreaths Across America

Whether it by family or friends. Each and everyone of us has had our life touched by a veteran. Last year President Susan joined the FL JCI Senate placing wreaths at the Bushnell National Cemetery. She was very moved with the program and has asked that it be made available to every U. S. Senator to participate in. Please go to their website [www.wreathsasscrossamerica.org](http://www.wreathsasscrossamerica.org) to see many ways for you to help. You can sponsor a wreath at \$15.00 per wreath that will be placed on a veteran's grave marker. You can volunteer to help place wreaths at a National or local cemetery. The United States is broken down into regions and on their website, you can find your regional representative who can give you further information. The Date this year is December 17<sup>th</sup>. Please consider assisting in this program you will be glad you did.

This program was started by Morrill Worcester owner of Worcester Wreath Company of Harrington Maine. In 1992 Worcester Wreath Company found themselves with a surplus of wreaths. Remembering his childhood experience visiting Arlington Cemetery, he now had the opportunity to honor our veterans. With the aid of former Senator Olympia Snowe arrangement were made for the placement of the wreaths. This was done until 2005 when a photo of the stones at Arlington, adorned with wreaths and snow circulated on the web. Suddenly, the program received national attention. Fast forward to 2021, Wreaths Across America and its national network of volunteers placed 2.4 million veteran wreaths at 3,137 participating cemeteries'.

Join us on August 17-21 on the beautiful Caribbean Island of Trinidad as we attend the 12<sup>th</sup> Annual ASAC Encounter (meeting of 20 member countries). Our team USA delegation, led by President Susan #58143 will experience not only the island culture, but also the beautiful sights, music (great mix of country and Motown sound with a Caribbean flair), food and people of this amazing island.

Your modest registration fee will include roundtrip airport transfer, daily lunches and dinner, ALL tours, ALL parties, an evening with the Prime Minister of Trinidad at his residence, a day trip to the island of Tobago, an Island Carnival event, additional visits to beaches, churches, businesses and more. We will be there to also support our current ASAC executive committee members; Treasurer Lawrence Pittman #53932 and North American and Non-Spanish Speaking Caribbean Region Director John Robinson #55768 during the general assembly business meeting.

The highlight of course will be the Nations' night in which the United States is destined to shine. What a fantastic way to showcase the heart of America and also help increase tourism to OUR country! If you're willing to donate items for the booth even if you are unable to come, please contact me or Nations' party booth Chair, our AVP Hal Williams #43912 who will also be in attendance. [hwilli8@tampabay.rr.com](mailto:hwilli8@tampabay.rr.com)

And the best news....ASAC will NOT increase the registration fee as previously stated. So, you can still get this great deal!!!!

## CHAPLAIN'S REPORT

James J. (Jim) O'Connell #5046

## In Memoriam

February 7, 1933 – July 22, 2022

Jim O'Connell #5046 was elected Charter President of the newly formed US JCI Senate on June 20, 1972, at the first meeting of the newly formed organization, and he served from 1972-1973. It was at this time, through the efforts of Jim and other "pioneers" of our organization, that the group came together, sought, and received official recognition from the US Jaycees. Jim was instrumental in laying the groundwork for our present national Senate organization. Jim also served as the first President of the Illinois JCI Senate and was a member of the Illinois Jaycees Hall of Fame. He was a friend and mentor to countless Jaycees and Senators over the years. His leadership has influenced our organization for the past 50 years.

Jim not only impacted the US JCI Senate, but he also had many other civic and business affiliations throughout his lifetime, including service on numerous boards and committees. He lived a life rooted in our belief "that service to humanity is the best work of life."

Jim passed away on July 22, 2022. As we celebrate the life of Senator Jim O'Connell #5046, we extend our deepest sympathy to his wife Phyllis, his three daughters, their families, and his many friends. Cards can be sent to Phyllis at: 322 E. Loucks Street, Sheridan, WY 82801.

### ***History of the Day***

On Aug. 1, 1972, Nate Colbert of the San Diego Padres set a Major League record by driving in 12 runs during a doubleheader sweep of the Atlanta Braves. The slugging first baseman broke the record of 11 RBIs in a twinbill -- a mark shared by Earl Averill of the Cleveland Indians, Jim Tabor of the Boston Red Sox and Boog Powell of the Baltimore Orioles. The 26-year-old Colbert also set a record with 22 total bases and tied a Major League record by clubbing five home runs in the twinbill. As Colbert rounded the bases after hitting his fifth home run against the Braves, he commented to umpire Bruce Froemming: "I don't believe it." Froemming responded in agreement, "I don't either." Colbert, whose lifted his seasonal home run total to 27, would finish the year with a career-high 38 home runs and 111 RBIs.
