From President Mike

The past two weeks have been difficult on our Senate family with the loss of Arizona President Amy Buchman #63442 and Friendship Award Program Manager/Nebraska Senator Marilyn Mueller #51429. We will all miss them both greatly; but should always remember the fun and laughter they brought into our lives. These ladies truly lived a life of Friendships Full Circle.

As we head into the holiday season, our lives will be busier than ever! As we look towards time spent with our families and loved ones, please take time to remember someone who may not be as fortunate as you are. There are so many people out there that will be spending the holidays alone. Take the time to reach out to someone you know that may need to hear a friendly voice. Start a new tradition and invite someone to share your Thanksgiving meal. Help a family in need. There are so many that will not be fortunate enough to have a Thanksgiving turkey and all the fixings. Donate to a food shelter so that others will not go hungry. We all remember what it was like when we were Jaycees to assist those in need and the happiness and joy that not only the people you helped felt, but your own feeling of accomplishment.

Have a safe and happy Thanksgiving Holiday! Enjoy the turkey and all the fixings with your loved ones and overdose on football and the ever-loved Black Friday shopping! Whatever holiday traditions you observe remember that none of us know how long we have on this earth and should live each day to the fullest!

Yours in the Senate spirit,
Mike Andrews #58312
50th President

A Note from your 2021-2020 Administrative Vice President

The preliminary **Schedule of Events** for the **Winter Board of Directors Meeting**, January 20-23, 2022 is included in this ENEWS. Please check it out for meeting times, meals and of course hospitality!

The Florida JCI Senate committee has lots planned for the weekend including warmer weather than in the North! Find time during the extended weekend for your card playing, quarters (left right center), puzzles, golf and socializing with senate friends! Do not let the time go by without meeting at least one new senator during the weekend! Most important, have fun and enjoy the time together!

The Convention and Bid Review Committee are reviewing the Checklist, past meeting Data Spreadsheet and Policy for conciseness and completeness. If you have any suggestions for improvements, please contact Carolyn Smith cjstern@gmail.com or Nancy Salopek nmsalo@yahoo.com for the checklist, Denise Bauer Jci61276@gmail.com for the data spreadsheet or myself for the policy. The committee would be appreciative of any comments/suggestions from recent meeting chairman and others by December 1, 2021.

I am grateful for all of you receiving this Enews and all you do for our senate organization. Happy Thanksgiving to each of you.

A Grateful Senator,
Susan

We believe:

That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth's great treasure lies in human personality;
And that service to humanity is the
best work of life.

Thought of the Day

I have great respect for the past. If you don't know where you've come from, you don't know where you're going. I have respect for the past, but I'm a person of the moment. I'm here, and I do my best to be completely centered at the place I'm at, then I go forward to the next place.

- Maya Angelou

History of the Day

1492 - Christopher Columbus notes 1st recorded reference to tobacco.

1777 - Articles of Confederation, the first constitution of the United States, is approved by the Continental Congress.

1837 - Isaac Pitman introduces his shorthand system of writing.

1869 - Free postal delivery formally inaugurated.

Points to Ponder

If the temperature is zero outside today and it's going to be twice as cold tomorrow, how cold will it be?

Whose idea was it to put an 'S' in the word lisp?

Please feel free to submit future entries for Points to Ponder and if you have a comment we will include in a future issue.
