Hey how would you like to take a trip? This trip would not involve long boring plane rides, crowded airports, running to catch your connecting flights, and airplane food? This trip you could sit in your living room chair with your favorite food and beverage and attend the 2021 World Congress in Johannesburg, South Africa. World Congress is being held virtually on

November 16-20. Cost is inexpensive for this trip. It has a price of \$200.00 until the day of World Congress.

*We believe:*

*That faith in God gives meaning and purpose to human life;*

*That the brotherhood of man transcends the sovereignty of nations;  
That economic justice can best be won by free men through free enterprise;  
That government should be of laws rather than of men;  
That earth's great treasure lies in human personality;  
And that service to humanity is the  
best work of life.*

***Thought of the Day:***

All change is not growth, as all movement is not forward.

- Ellen Glasgow

\*\*\*\*\*

***History of the Day***

1883 - The US Supreme Court struck down part of the Civil Rights Act of 1875. It allowed for individuals and corporations to discriminate based on race.

1892 - The US government announced that the land in western Montana was open to settlers. The 1.8 million acres were brought from the Crow Indians for 50 cents per acre.

1966 - US President Lyndon B. Johnson signed a bill creating the Department of Transportation.

***Points to Ponder***

Who was the first person to say "See that chicken there...I'm gonna eat the next thing that comes outta it's bum.!"?

Why do toasters always have a setting so high that could burn the toast to a horrible crisp, which no decent human being would eat?

*Please feel free to submit future entries for Points to Ponder and if you have a comment we will include in a future issue.*
