Enews Editor's Note

We are aware that some of the last issues of the E-News was not delivered to some members. Our Assistant Webmaster Lowell has contacted our mass mail provider and they have adjusted some account settings. We are hoping this solves the problem, but please let me know if you are not receiving the emails in your inbox or spam folder. Also please share this information with your fellow Senators. We are doing what we can to get the E-News to everyone who wants it, but many email providers are clamping down on mass emails due to the huge amount of fraudulent spam email. The latest issues of the E-News are always available on the website: <http://usjcisenate.org/>

The email address below(after my name) is the email address from which Enews is distributed. Please be sure to include it in your list of known contacts on your receiving email program.

We have a form letter for you to send to the mass mail provider if your email address has been "Blacklisted" because of too many bounces. Once you are moved to that list by the list server this letter, requesting to be taken off the "blacklist," is the only option, resubscribing will not solve the problem.

If you are an aol or yahoo user (as I am) you may need to contact your email provider for suggestions. We are trying with this issue to see if the efforts made by the mass mail provider on our behalf have been successful. More on that later.

Thanks for being an Enews Subscriber.

Region IV Fall Meeting

Jekyll Island, Georgia will be the location for the Region IV Fall meeting hosted by the Georgia JCI Senate at their Peach Bash. The Villas by the Sea Resort and Conference Center has been a part of the Georgia Jaycees and Georgia JCI Senate's history for well over 60 years. This Jekyll landmark is located under the oaks and is just a short walk to the ocean. "The Island" as we refer to it, because for us there is no other, is a wonderful combination of history, nature, and progress. We cannot wait to share all its treasures with you. From the Millionaire's Village, where the world's first transcontinental phone call was placed, to the first-rate golf courses with a stop at the Turtle Center along the way, there is something for everyone here. There are excellent dining opportunities on the Island with a

wide variety of cuisines. In addition to golf, there is putt-putt, nature trails, bike trails/rentals, shopping, food/drinks, and did I mention miles and miles of BEACH.

A short drive away is St. Simon's Island with more of the same along with a fort, a centuries old church, and a working lighthouse. Nearby Brunswick also has some interesting things to do and some great places to shop. When you're not out enjoying the scenery, we will be hosting hospitality at the Villas Convention Center. We are combining a beach atmosphere with Region IV's other favorite pastime – Football. Thursday night's Early Hospitality will be a huge Tailgate Party! Bring your favorite team attire and enjoy some of the best traditional pre-game favorites ever! We will be offering various football themed activities all weekend so no one will be bored! Dinner on Saturday will be a catered affair following the Region IV meeting with a dessert bar served in hospitality immediately following dinner.

Many surprises await you so mark your calendar now for October 21-24, 2021. The registration form is on the US JCI Senate Webpage with all the information you need to plan your long October weekend here on Jekyll Island with us. Don't forget to use the Group Code when making your reservation and watch the Region IV Facebook page and the E-News for more information on all the exciting things to do on "the Island". Contact me at jci61276@gmail.com or 229-322-9198 if you have questions and book early - handicap accessible and first floor villas (suites) are limited. Oh, by the way, the dress code for the weekend is comfy, beachy and casual. Come relax with us!

Fall Frolic

To steal a bit from some of the recent promotions of the Pig Roast in Ohio, the 1st Anniversary of the 40th Anniversary of the Region 1 Fall Frolic is coming up on us faster than we think. Soon it will be October 14 – 17, and the Region 1 Fall Frolic will be underway.

We have maxed out our room block of 75 rooms and have established a waiting list to try and find rooms for individuals who waited too long to make their room reservations. We have been fortunate to be able to place people in several rooms so far. We ask that anyone who has a room and finds they will not be able to attend Fall Frolic, to let us know before you cancel your room. We will find someone to fill your room and we will then cancel your reservation. Please give us this opportunity as we continue to get calls and emails from people who want to attend Fall Frolic. If you wish to be added to the wait list you must send

in your Fall Frolic registration form. Once we receive that, we will add you to the wait list. If we cannot place you in a room we will gladly refund your money. In addition, if there are any attendees who would be open to a roommate or roommates please let us know as we do have several persons who wouldn't mind sharing a room.

We are blessed that we have **3 of 4** of this year's main elected officers attending. We have at least **6** past national presidents coming, as well as **3** of this year's Regional VP's **in addition** to our own Region 1 VP Nancy Gianetti.

We have people coming from as far away as Florida to the south and from Washington to the west. At last count we will have attendees from 23 states and at least 1 Canadian Providence.

The numbers for Thursday night hospitality are growing every day. Keep your appetites in check as plans for the "Sugar on Snow" party are continuing to evolve for Friday night. Our entertainer Mark Shelton, an Elvis impersonator, has promised a truly outstanding show Saturday night. Some of the committee got to hear him recently at a class reunion and were blown away with his versatility and range of music.

We are working on a very special guest speaker for Saturday's Regional meeting just before we break for lunch. This speaker has been a huge part of the Jaycee movement and has lots of interesting stories to talk about. Most of you have never met this person, but as soon as you hear the name and connection, you will understand our excitement.

Then there is the celebration of the 40th Anniversary of the Fall Frolic. Plans are continuing to evolve as we work out all the logistics.

All in all, we think we have a great weekend planned with lots to do if you wish, or you can socialize and spend time in the hospitality room where we will treat you to some amazing food and drink. We are working on some very unique tours and hope to have more about that soon.

We have established an email list for those attending. During the last week we sent out a test email. That is how we will update attendees of any and all info you will want to know about as we keep getting closer to Fall Frolic. As we receive registration forms we are adding to the email list.

If you have attended Fall Frolic in the past, whether you are attending this year or not, and have any photos you would be willing to share, please contact Carol King - carolking1222@gmail.com to let her know what you have. She is working on something special and would appreciate any photos you would be willing to share.

We look forward to meeting old friends and making new ones as we celebrate the Region 1 Fall Frolic, October 14 – 17, 2021 at the Best Western Plus Windjammer Inn and Conference Center in South Burlington, VT.

Thought of the Day:

Life is a balance of holding on and letting go.

History of the Day

1790 - The first U.S. Census was completed with a total population of 3,929,214 recorded. The areas included were the present states of Connecticut, Delaware, Georgia, Kentucky, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania, Rhode Island, North Carolina, South Carolina, Tennessee, Vermont, and Virginia.

1876 - Colorado became the 38th state to join the United States.

1907 - The U.S. Army established an aeronautical division that later became the U.S. Air Force.

1956 - The Social Security Act was amended to provide benefits to disabled workers aged 50 - 64 and disabled adult children.

Points to Ponder

Why do people point to their wrist when asking the time but don't point to their bum when they ask where the bathroom is?

Did you ever stop and wonder ...

Who was the first person to look at a cow and say, 'I think I'll squeeze these pink dangly things here, and drink whatever comes out?'

Please feel free to submit future entries for Points to Ponder and if you have a comment we will include in a future issue.
