Region 1 Fall Frolic

As many of you have heard, our room block at the Best Western Plus Windjammer Inn and Conference Center has been filled for weeks now. However we do understand that there are still

many Senators out there who would love to attend Fall Frolic this year. The good news is that we have been able to move more than a dozen Senators/guests into rooms at the hotel. We will continue to utilize our wait list process to get people into a room here at the hotel. As part of that process, we need you to send in our registration form completely filled out along with a check for the correct amount. Once we receive that, you go on the waiting list. If multiple registrations come on the same day, the postmark will determine your position on the wait list. As soon as we have a room open up we will contact you to get any needed info for the hotel. We still anticipate we will continue to have hotel rooms open up thru September and early October. If we are unable to get you into a room, we will gladly refund your money.

As noted in earlier posts, if you have a room at the Best Western Plus Windjammer already and have to cancel at some point, please contact us and let us handle your cancellation. That way we can keep the room in our block and we will be able to put someone on the waiting list into that room.

For those of you looking for info about what to do or where to go when here, if you go to <https://www.helloburlingtonvt.com> this site contains a great deal of info about the South Burlington/Burlington area. There is a lot to do in the area and we continue to work on tours to share.

We are excited about this Fall Frolic and think we have raised the bar for future Fall Frolics. With our Sugar-On-Snow party Friday night, our 40th Anniversary celebration Saturday after lunch, and our entertainer - Mark Shelton on Saturday night, along with several other surprises during the weekend, we are sure you will all have a great time.

As always, if you have any questions, please contact Robert King (robertking1947@gmail.com) or Steve Rowe (nascarguru428@gmail.com)

Historian Comments

With the coming 50th Anniversary celebration in Louisville, KY at year-end, we will be doing a display of Senate/Jaycee memorabilia. If you have anything that would be of interest that you would like to have displayed please let me know and we will have it included.

Of main interest are items such as old pictures, pins/patches, and most anything specific to your state and/or region. One item that I am particularly looking for is an original medallion that was sold starting (I believe) during the second year of the Senate.

If you have something that you think would be of interest to Senators please contact me and we will make sure we can put it on display.

Thanks to everyone. I am looking forward to having a great display of those things that have meant so much to our members over the years.

Alternative Fundraising Committee

Putting 'A FUN time' in Alternative Fundraising!!!!

Get ready for the biggest launch party ever!!! The revamped Sponsorship Program, now known as Alternative Fundraising is in full force. Beginning October 1st - you will see and hear more about working together and supporting each other as Senators with small businesses. In conjunction with our quest to highlight our Gold Level Sponsor, Dominion Energy, we're also reaching out to major corporations and non-profit businesses to support our efforts for fundraising. Outside of Membership dues and Presidential Sweepstakes, this will be the definition of alternative fundraising for OUR organization and simultaneously support our members who are turning their passion into action into dollars.

It starts with our Senator to Senator (S2S) directory that is housed on our website. www.usjcisenate.org. Select Business Directory and let's support the individuals that have already participated and will get a full year of advertising....YOU can be in this group as well....

As part of our media benefit blitz for the relaunch - your name and information will also be available at the BOD meeting and all advertising materials associated.

Senators, are you a small business owner, do you sell any of the following? Crafts (sewing, knitting, afgans, jewelry, handmade paper cards, ceramics), professional development services, travel, retail, culinary fare (candy, cookbooks, cookware, aprons, etc.), household products, computer and electronic expertise and troubleshooting, current and former teachers (tutoring in science, math, english and SAT prep), legal services (Will and Estate preparation, funeral expenses), Financial Planning, Weight loss and health conscious entrepreneurs, photography, art - watercolor, oil pastel, motivational and inspirational public speakers - the list goes on and on.....

Should you have questions - feel free to contact me or any member of the 'A FUN time' Alternative Fundraising Committee; Jaci Newmark #56368, Dawne Sutherland #68900 and Larry Norfleet #60771 along with Assistant Webmaster Lowell Vahl #40315

We look forward to your support of 'A FUN time' with our Vendor Showcase at the Fall Board meeting in the Elm Room. Look for some special 'attendee' thank you's as well as those who purchase items from our vendor thank you's. Vendor Showcase Chair Jaci Newmark has done an extraordinary job in securing those that have items to sell and we are excited for this initial kick-off for our committee. We believe:

That faith in God gives meaning and purpose to human life;
That the brotherhood of man transcends the sovereignty of nations;
That economic justice can best be won by free men through free enterprise;
That government should be of laws rather than of men;
That earth's great treasure lies in human personality;
And that service to humanity is the
best work of life.

Points to Ponder

Why do we press harder on a remote control when we know the batteries are flat?

Why do banks charge a fee on 'insufficient funds' when they know there ia not enough?

Please feel free to submit future entries for Points to Ponder and if you have a comment we will include in a future issue.
